There is no other option, damage is already done. Stop facebook!

Lazarus @Oxoctavian · 21h

Block Instagram and Facebook forever from Russia, and declare Mark sucker Zuckerberg persona non grata for life in all of Russia and friendly countries !!! twitter.com/Reuters/status...

Consider just mocking the hypocrisy of @facebook/@Meta & their NPC-filled @OversightBoard instead of anything violent or even potentially violent.

This is a war, even though one side apparently doesn't want to call it that, and I don't mind saying I'm scared.
